

The world's largest manufacturer of home furnishings

Established in 1945, Ashley Furniture Industries has become the largest manufacturer of home furnishings in the world and strives to be the most innovative and competitive home furnishings company on the planet. From design through fulfillment, Ashley is committed to delivering the world's best home furnishing values, selection and service, and earning the loyalty and trust of its customers every day.

Today, Ashley employs state-of-the-art facilities, research and development labs, technology and robotics to consistently deliver the fastest-to-market, affordable, on-trend furniture across the globe. Ashley manufactures casegoods, stationary and motion upholstery, mattresses and outdoor furniture, selling over 350 million units annually.

To meet the demands of the ever-evolving manufacturing industry, Ashley has implemented new SMART Factory and automation technologies to improve quality along with reducing heavy lifting for employees. Ashley's continued investments in innovation, global talent and efficiency are setting the bar high in the home furnishings industry.
